Date: 1st January 2013

Welsh Youth and Junior Championships 27th-28th April 2013

Dear Sir/Madam

Re: Overnight Parking Permit

I am pleased to confirm that we can offer you an overnight parking space for your motorhome. This offer is subject to us receiving the formal request for a parking permit and a completed application form for Temporary Events Member Status.

As you are aware the Club provides showers, changing rooms and club room facilities and these will be available during our normal opening hours.

We should be obliged if you would refrain from using the Marina facilities. These are provided for the berth-holders only and are outside our control.

The area allocated for parking motor homes will have limited hook ups (except during the UK youths) and is made available on the strict understanding that neither Clwb Hwyllo Pwllheli Sailing Club or Gwynedd Council, or servants, or any person working for the above as employees or volunteers will accept any responsibility or liability whatsoever for any loss, damage, death or personal injury of any description whatsoever that may be sustained however occasioned — whether by negligence of the members or servants or not.

You may be allocated a specific plot for the event and you must display, on your windscreen, the parking permit which will be available for collection from the Club Office on your arrival. Location of pitches will be sent to closer to championships/training.

I should be obliged if you would complete and return the parking permit request form which is enclosed. Please also forward your temporary membership fee payment by cheque made payable to Pwllheli Sailing Club for the appropriate fee.

I look forward to seeing you at the Club.

Yours sincerely

Manon

Clwb Hwyllo Pwllheli Sailing Club

Notes for Motorhome and Caravan Owners

CHPSC (Clwb Hwyllo Pwllheli Sailing Club) provides a limited number of spaces for overnight parking for motorhomes and caravans. The facility is not a 'camp site' open to the public with associated facilities. However, we ask all owners to comply with a Model Code of Conduct.

This is necessary in order that your occupation of the site is enjoyable and that the use of the Event Field for motorhomes and caravans for sailing events and training activities can be protected for future years.

- Please park in an allocated parking space
- Please have regard to others and do not disturb others quiet enjoyment of the field
- Please drive slowly and carefully on the site at all time
- Dogs should be kept on a lead and exercised away from the field
- No open fires are permitted at any time

Please note the Event field has no hook-up facilities and if this is required you will need to make alternative arrangements with a local campsite.

Drinking water is available from a tap near the catering facility.

Fire extinguishers are held near the catering facility.

Please place rubbish in the wheelie bins or skips provided.

Toilet and shower facilities will be available in the Club from 08.30 until 'late'. For some major events there may be additional temporary showers and toilets adjacent to the Club available on a 24-hour basis. Alternative toilets are located at the Marina building (under the spiral staircase on the car park side).

Please dispose of the contents of chemical toilets and waste water at the approved point only.

In case of difficulty please contact a member of staff.

Thank you.
