The series will cater for experienced racers (wanting to practice against their squad mates!) through to novice sailors travelling to their first event.

Ethos: It is the ethos of the CYRC series to welcome and help less experienced sailors. Experienced (Gold) fleet sailors and parents are asked to always assist less experienced sailors at these events. E.g. check rigging, advice on how to replace unsuitable kit, where to go, launching etc.

The Helping Hand Award: It is encouraged that sailors of Gold / National Squad standard help sailors new to racing. Area Gold sailors may be asked to help with checking rigging before racing, suggesting required set up for wind conditions etc. It is also encouraged that experienced sailors help new sailors on the water where possible, e.g. where to start. On the discretion of the coordinator and other officials a helping hand award will be awarded to a sailor or sailors who have made the biggest contribution to new sailors during the CYRC series 2017.
